

PD-L1, ELISA kit, human

Product Information

Cat	<i>IME-027</i>
Product Overview	<i>This product is an enzyme-linked immunosorbent assay for the quantitative measurement of human PD-L1 protein in serum.</i>
Species	<i>Human</i>
Target	<i>PD-L1</i>
Assay types	<i>Solid Phase Sandwich ELISA (quantitative)</i>
Conjugate	<i>HRP</i>
Sample type	<i>Serum</i>
Sensitivity	<i>1.6 pg/mL</i>
Size	<i>96 tests</i>
Storage	<i>Store at 2 - 8°C</i>
Product information	<i>PD-L1 ELISA kit provided by Creative BioMart is prepared for quantitative measurement of PD-L1 protein in serum.</i>
